**Crafts:** Following tradition, our children will have the opportunity to decorate a paper lantern which this year will be a battery powered paper lantern. This year we will also be painting and adorning the lanterns with stickers, glitter, and other craft items (please bring paint smock or shirt if your child will be wearing silks or a nice outfit for the Lantern Parade). Your child can also make a moon cake out of play-doh.

**Games:** Traditional games for all ages will be offered such as chopstick races, solving lantern riddles, and the handkerchief game. Our children will also have the opportunity to play Chinese jump rope, play with the Chinese yo-yo, and play other games as well.

***We hope to see You and your Family at this Fun Event!***
